Dear Mr. Berlin:

This correspondence is in regard to your Freedom of Information Act (FOIA) request dated April 1, 2021 in which you seek nine separately enumerated categories of records related to the Hunters Point Naval Shipyard ("HPNS") located in San Francisco, California.

Your request was received in this office on April 2, 2021 and assigned file number DON-NAVY-2021-005174. Please cite this number in any future communications with our office regarding this request. Your request, as modified by email on April 16, 2021, seeks the following:

1. *The Navy's "monthly progress reports" from January 1, 2011 through December 31, 2014. The monthly progress reports are required pursuant to Section 6.6 of the "Federal Facility Agreement." ("Federal Facility Agreement" as used herein refers to the Federal Facility Agreement for Naval Station Treasure Island – Hunters Point Annex. The parties to the Federal Facility Agreement include the U.S. Environmental Protection Agency (Region 9), the State of California, and the U.S. Navy.)*
2. *All Remedial Project Manager progress meeting minutes from January 1, 2011 through December 31, 2014. The meeting minutes are required pursuant to Section 18.3 of the Federal Facility Agreement.*
3. *All documents related to the resolution of any disputes pursuant to Section 12 of the Federal Facility Agreement from January 1, 2011 through December 31, 2014.*
4. *All meeting minutes for the Quality Control Meetings required under Section 13.6 of the Base-Wide Radiological Work Plan (Revision 1, October 5, 2007, DCN: FWSD-RAC-05-0165.R1) from January 1, 2011 through December 31, 2014.*
5. *All "Contractor Quality Control Reports" (also known as "Quality Control Daily Reports"), required under Section 13.13 of the Base-Wide Radiological Work Plan (Revision 1, October 5, 2007, DCN: FWSD-RAC-05-0165.R1), from January 1, 2011 through December 31, 2014.*
6. *All "Confirmation Notices" required under Section 13.14 of the Base-Wide Radiological Work Plan (Revision 1, October 5, 2007, DCN: FWSD-RAC-05-0165.R1) from January 1, 2011 through December 31, 2014.*
7. *Tetra Tech, Final Radiological Data Evaluation Findings Report for Parcels B and G Soil.*
8. *All radiation task manager notifications that document radioactive anomalies during survey events, provided pursuant to Section 3.2.9 of the Base-Wide Radiological Work Plan, Revision 1 dated October 5, 2007, from January 1, 2011 through December 31,*

2014. Section 3.2.9 of the Work Plan requires the Radiation Task Manager to notify the PjM, RPM, and RASO “regarding radioactive anomalies.”

9. *All agendas, minutes, and notes from the monthly HPNS Base Realignment and Closure Cleanup Team (“BCT”) meetings from January 1, 2011 through December 31, 2014.*

In addition, you clarified that for Items 3 and 8, your request is intended to include email correspondence. For all other items, you intend to exclude email communications from the scope of your request.

On May 7, 2021 via electronic mail, you agreed to pay fees up to \$7,400. For your information, we have placed you in the “commercial use” category for purposes of assessing fees and as such will charge you search, review, and duplication fees in accordance with 32 C.F.R. §286.12. On May 20, 2021, our office sent you a final determination letter.

A search for responsive records has been completed and 548 potentially responsive records have been located. One document was deemed not responsive. This letter releases the 547 responsive records to you in full and closes this FOIA request.

The search fees and review fees incurred during the processing of this FOIA amount to \$3,408. Please remit payment in the amount of \$3,408 to the BRAC PMO West office within 30 days as previously requested. Please make check out to “United States Treasury” and send to the address noted below.
